

FIRE School of Ministry Europe

PERSONAL INFORMATION

The purpose of FIRE is to take firmly committed believers who feel a call to full-time ministry service and prepare them to serve the Lord in this capacity. We are a school with a very intense schedule and high moral standards and policies. We do not recommend students coming here who may have difficulty adjusting or submitting. We are not a school designed to assist as a rehabilitative service for those who need extra help personally/emotionally. Please evaluate yourself before applying.
